56 Koolan Drive
SHELLEY WA 6148

Mr Phil Doherty
Park Auto Centre
709 Albany Highway
EAST VICTORIA PARK WA 6101

Dear Phil and Greg,

Maureen and I would like to extend to you both our thanks for making the purchase of our Nissan Patrol such a pleasant experience.

Having settled on the purchase of a late model Nissan Patrol auto turbo diesel to suit our needs for both personal and commercial use, I set about the task of finding such a vehicle. There was very little on offer privately and so I began a six-week search of all the major car yards in the Perth metropolitan area. It wasn't long before I became quite disillusioned with the quality of vehicles on offer until I came across your retail premises in East Victoria Park.

Purchasing a second-hand vehicle can be quite a stressful experience as I am sure any prospective customer will attest to. However, the quality of your vehicles and the accommodating attitude extended to us regarding our mechanic's inspection etc was very much appreciated. In the end the decision to purchase was easy.

We will certainly be recommending others to visit your premises, as we will again should we decide to upgrade our vehicle in the future.

Yours sincerely,

PHIL & MAUREEN DAVEY
