Dear Greg,

After having a couple of bad experiences with two of Perth's major dealerships, I can only say that dealing with you and your company has been like a breath of fresh air.

Since the purchase of my Vectra Hatchback through Park Auto Centre, the level of service from your company has been exceptional and I am more than willing to recommend your company to friends and family.

It just goes to show that you can't judge a company by the industry they operate in.

Many thanks for your attention and keep up the good work.

Yours truly,

Rod Lawson Kerr
Director.
